

INS-USER MANAGEMENT

User Management Within Your Course

During the start of the semester, student's frequently drop courses. Once they do this, they no longer display on your *myTRCC* roster, but they usually still display on your blackboard course. This first section will guide through the process to make a student unavailable in a course so that they no longer see or receive notifications from your course.

- First under the **Course Management** menu, click on the drop down arrow for **Users and Groups** and then click on **Users**

- Then by the users name click on the drop down arrow and click on **Change User's Availability in Course**

Username	First Name	Last Name	Email	Role	Observer	Available
jdemo4567	Johnny	Demo	jdemo4567@mymail.trcc.edu	Student		Yes
jlemons		Lemons	jlemons@trcc.edu	Instructor		Yes

A 'Refresh' button is located at the bottom right of the table. A red arrow points to the dropdown arrow next to the 'jdemo4567' username, and another red arrow points to the 'Change User's Availability in Course' option in the dropdown menu.

- In the drop down box click **No** to make them unavailable.

Grade Center Clean-up After Attendance Verification

Once the attendance verification process has completed, you can "hide" unavailable students from the Full Grade Center, giving the page a cleaner look showing only "active" students.

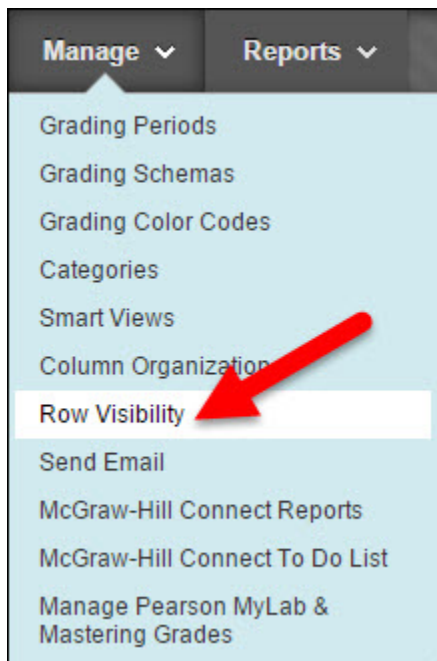

USE CAUTION:

If you "hide" an inactive student, and they later re-add your class, you must change the grade center to "show" them again.

- Under your Course Management menu click the drop down on **Grade Center** and then click on **Full Grade Center**.

- Click on the **Manage** drop down tab and then click on **Row Visibility**.

- Here you will see the list of users that are available and unavailable in the course. Depending on if you are wanting to show or hide the user you can click the **Hide Rows** or **Show Rows** buttons.

SET ROWS VISIBILITY

Select the desired rows and choose to Hide them from the Grade Center View. Show rows that have been hidden by selecting them and clicking Show.
