

MS STREAM & BLACKBOARD

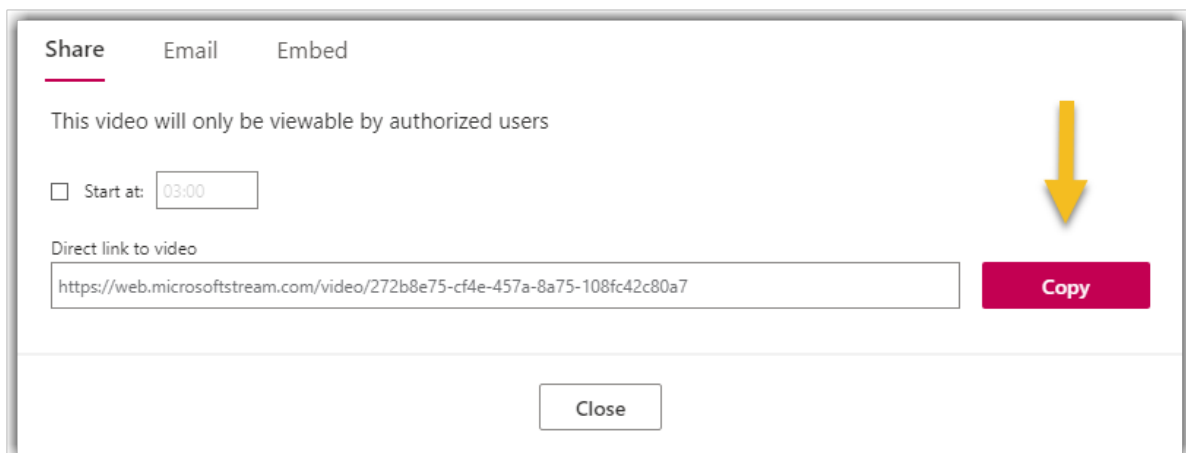

THREE RIVERS COLLEGE

Link to and embed a video from Microsoft Stream in Blackboard.

- 1) Navigate to your video in Microsoft Stream. Just below the video's player, select the **Share** button.

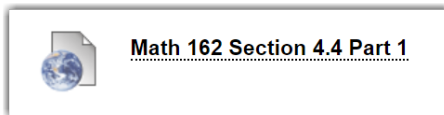

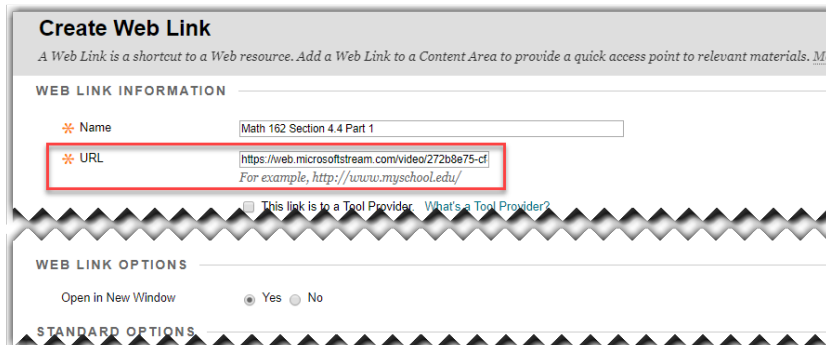

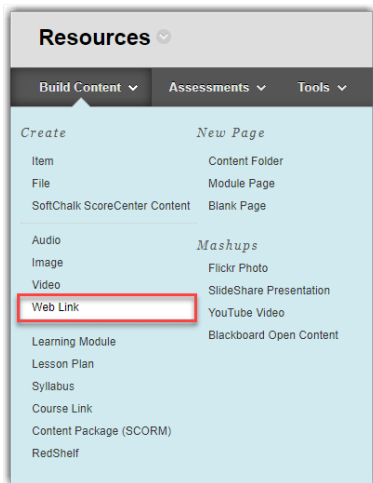

- 2) Select the **Copy** button to copy the **Direct link to video** to your clipboard.

3) Open your Blackboard course to the location where you want students to see this link.

- Select **Build Content** and **Web Link**.
- Give the web link a **Name**.
- Paste the link copied from Microsoft Stream into the **URL** field.
- Select **Yes** for **Open in New Window**.
